

Boardroom furniture

What can we do?

...Discuss, Design & Manufacture

We've built a reputation as specialists in the **design and manufacture** of high quality corporate furniture for a diverse Public and Private sector client list.

We offer a range of **standard products** as well as endless possibilities for **bespoke items**. As a design-led company our product portfolio is constantly developing and evolving.

We pride ourselves on the **exceptional service** we offer to our clients from initial enquiry through to after sales care. We offer as much or as little as you like from a simple standard solution, to appointing your own designer **to work with a specialised client brief**.

Our aim is to take away the headache of furniture procurement and provide **sensible, cost effective solutions**.

In all areas of the business we have skilled staff in their chosen field. From initial contact with our sales and design team you can be assured we will **supply ideas and solutions** to suit all interior projects, with client visits followed by free of charge presentations, visualisations and space planning.

For each scheme we assign one of our **project management** team to ensure you are kept completely up to speed with developments. **Samples and prototypes** will be produced if necessary, to give a 'hands on' feel for style and quality.

We can work from other peoples' designs and with all other trades to ensure the smoothest possible **delivery and installation** by our fit out team with the minimum possible disruption to the client.

Our Overview

The products shown in this overview provide only a taste of our extensive portfolio.

Please use all information as a guide. If you do not see exactly what you want, please ask.

We have an endless library of additional images set up ready to email or post. Let us know the code number at the top of the page you are interested in and we can let you have further details on that particular product and other similar schemes.

Bear in mind the specifications shown are not the only options. Feel free to pick elements you like from different products and we will provide designs to meet your criteria.

BR_48

Boardroom suite to hire

Table information

Option	Choice
Veneer	Maple with walnut details
Inlay	Walnut inlay and central detail
Spec	30mm executive with inlay detail
Shape	Double 'D' ended (four piece)
Base	Bespoke with cable management

Solution comprises Double 'D' ended high tech table, fitted AV/refreshment credenza, wall panelling, storage, credenza and seating.

Furniture details

30mm executive spec with lift out walnut centre section revealing power/data points and equipment store. Bespoke base with access door.

Key features

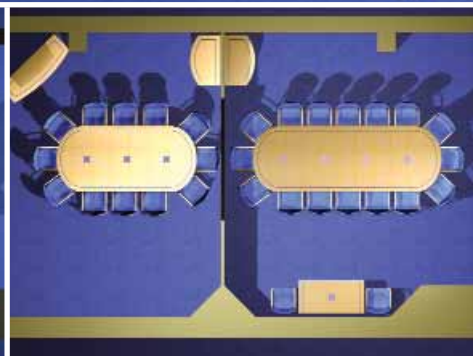

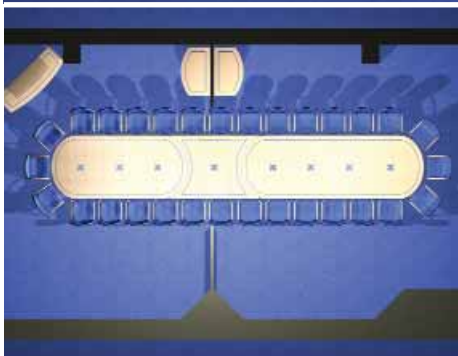

Plug in table top with hidden equipment. Fully ventilated credenza houses AV equipment and fridge, whilst providing plug in for additional equipment.

Brief
Provide a flexible meeting suite that will fit one long thin room and change into two separate tables when fold back partition is used. Tables must be hard wired into floor and transform with minimum disruption.

BR_25

One room into two!

Solution comprises Multi-functional double 'D' ended tables, drop leaf table, credenzas with bookcase, low level storage and seating.

Furniture details

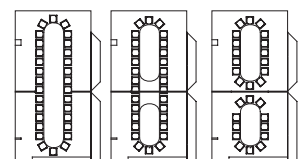

Executive suite with integrated corporate inlay and details, cable ports with power units feed to box legs with access door and adjoining trough.

Key features

Table transforms from one into two by folding down leaves of central integrated table and pulling across folding wall. All box bases are positioned over existing floor boxes.

Table information

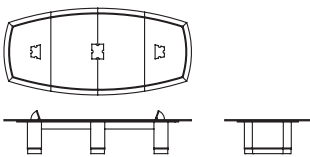

Option	Choice
Veneer	Crown/quarter cut ash
Inlay	Corporate royal blue
Spec	Executive with blue details
Shape	Double 'D' end (five piece)
Base	Box with access door and inlay

BR_62

Maximum occupancy with lap-top use

Table information

Option	Choice
Veneer	Crown/quarter cut maple
Inlay	Corporate royal blue
Spec	Executive with blue inlay
Shape	Barrel (four piece)
Base	Box base with access doors

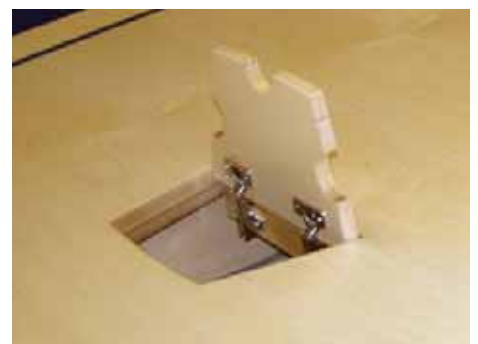

Solution comprises Barrel shaped meeting table, slim-line barrel fronted credenza and 14 leather cantilever chairs.

Furniture details

Executive spec with blue inlay to top, bases and storage doors. Fold up cable flap with cut outs and hidden voltex units.

Key features

Corporate colour used for inlay and chair leather, bases designed to marry up with floor boxes for neat cable transfer.

Sector

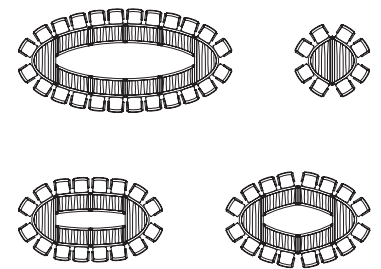

Public – Government department

Brief

Large boardroom space requires multi-functional 'different' tabling solution to suit changing requirements. Table must fold away into store cupboard leaving an empty room.

BR_02

Multi-functional 'different' tabling

Solution comprises 15 part multi-shape table, storage credenzas, and 24 cantilever framed chairs.

Furniture details

Two tone executive spec outer tops with contrasting conference inner tops. All tables are on folding silver cantilever frames with modesty panels.

Key features

Maximum flexibility with over 30 different configuration options, all tabling folds flat and hangs in small store cupboard.

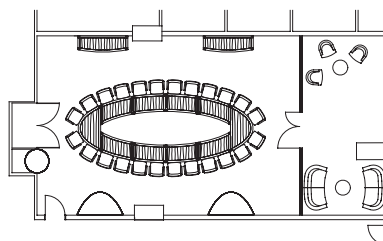

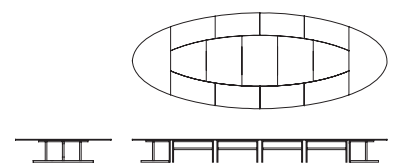

Table information

Option	Choice
Veneer	Birds eye maple/cherry
Inlay	Walnut
Spec	Executive and conference
Shape	Many options possible
Base	Folding cantilever

BR_70

Seven possible set-ups

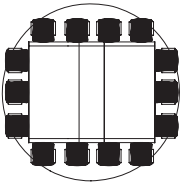

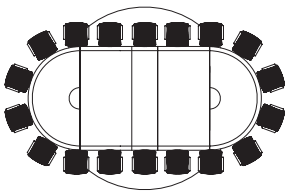

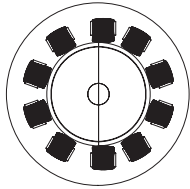

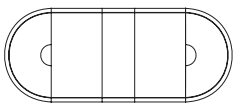

Table information

Option	Choice
Veneer	Maple and stained oak
Inlay	Ebony
Spec	Boardroom two tone veneer
Shape	Seven different possibilities
Base	Arrowheads with cable access

Solution comprises Special five piece double 'D' ended table that can also create rectangular, square, circular and separate meeting areas.

Furniture details

30mm two tone top, bespoke bases to hide and carry cabling, lift out walnut ports access power, data and network connections.

Key features

Circular set up matches floor detail, table stained to match floor finishes. Power to table-top works with all configurations from one central floor box.

Sector

Private – Furniture provider

Brief

Client meeting and presentation space requires a 'bold new centrepiece' to seat up to eight users comfortably. Must demonstrate possibilities of inlay designs and integrate hidden plug ins.

BR_67

Bold new client meeting table

Solution comprises Elliptical table with pop-up power units, three door credenza and modern executive high back chairs.

Furniture details

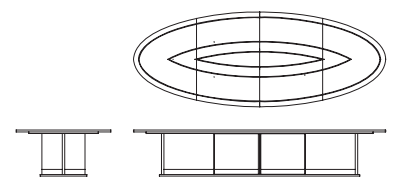

30mm two tone executive spec with additional inlay details, solid elliptical base with black plinth detail and removable access panels.

Key features

Bold two tone and black inlay design across table and credenza. Pop up power and data units provide neat table top plug in.

Table information

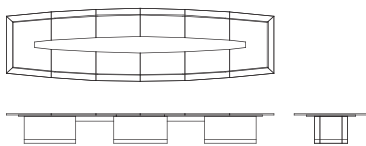

Option	Choice
Veneer	Beech with cherry
Inlay	Broad ebony
Spec	30mm two tone exec with inlay
Shape	Elliptical (4 piece)
Base	Solid elliptical with access panels

BR_63

Flagship scheme, full of technology!

Table information

Option	Choice
Veneer	Crown and quarter cut maple
Inlay	Ebony with central detail
Spec	30mm executive
Shape	Barrel (6 piece)
Base	Large box with access doors

Solution comprises Large barrel shaped table, presentation/AV wall, storage credenzas with display bookcases and 16 cantilever chairs.

Furniture details

30mm executive spec with black inlay details, large box bases with access doors and stainless steel plinths. Storage has repeat pattern of black inlay.

Key features

All equipment can be hidden under central lift out section of top, all AV equipment and smart board facility fitted into roll out racks.
